**REPORT OF THE BOARD OF DIRECTORS
AT ANNUAL GENERAL MEETING OF SHAREHOLDERS 2025**

Dear Shareholders and Distinguished Guests,

On behalf of the Board of Directors of ELCOM Technology Communications Corporation, I would like to present the Board of Directors' Report for the year 2024 as follows:

I. ASSESSMENT OF THE COMPANY'S OPERATIONS IN 2024

Business Results for 2024:

| | 2024 Plan (VND billion) | Actual 2024 (VND billion) | Plan Completion Rate (%) |
|-------------------------|----------------------------|------------------------------|-----------------------------|
| Revenue | 1,100 | 800,15 | 72,7% |
| Net Profit After Tax | 108 | 99,25 | 91,9% |

In 2024, the Company focused its investment and development on core business areas, including Smart Transportation, Telecommunications, National Security & Defense, Digital Transformation, and providing high-tech "Make in Elcom" products and solutions to customers. The leadership also proactively reduced low-margin business areas to enhance operational efficiency. As a result, while revenue in 2024 decreased, **net profit after tax reached over VND 99 billion**, achieving **92% of the plan** and growing **18% compared to 2023**. The net profit margin increased from **8.6% in 2023** to **12.4% in 2024**.

With the goal of **maintaining its position as the leading technology company in Vietnam** in key product areas and strategic markets, ELCOM has been making significant investments in research, innovation, and mastering core technologies like AI, Datalakehouse, and IoT. The Company has developed many valuable products with huge potential over the coming years, contributing to the application of science, technology, and digital transformation to promote economic development, aligning with the spirit of Resolution 57 of the Politburo on breakthroughs in science, technology, innovation, and digital transformation.

These product lines are clearly directed towards specific markets and customers, **maintaining market leadership, trust, and value**, including:

1. Products for National Security & Defense Market

- Generation 2 Intelligent Surveillance Center (MetaINT): This product has effectively supported national security and defense efforts for the Ministry of Public Security and the Ministry of Defense for many years.
- Surveillance and Control Center for automatic traffic violations and regional security (ITMON): One of the most modern, intelligent, and reputable products in the market today, deployed at the provincial level.
- Intelligent Investigation Product (DeepSearchX): Set to launch in 2025.

2. Digital Transformation Products and Solutions

- **Centralized Big Data Platform Solution (Data360X):** A solution for monitoring, managing, and exploiting data across all periods, providing effective and user-friendly tools for provincial leaders, ministries, and agencies.
 - **Digital Platform-based Monitoring, Control, and Decision-making Center (eSightX):** A product aimed at replacing paper-based systems, enabling economic management anytime, anywhere.
3. **Smart Transportation Market Products**
"Elcom ITS Smart Transportation Ecosystem," including:
- ITS systems for highways, national roads, and urban areas.
 - Electronic toll collection (ETC) systems.
 - Weigh-in-motion (eWIM) systems for load monitoring.
This ecosystem has won the Make in Vietnam 2024 Gold Cup for Outstanding Digital Products in the Transport, Postal, and Logistics category. The products are being deployed in numerous large transportation projects nationwide.
4. **Telecommunications Products and Solutions**
- Optical transmission infrastructure (DWDM) and core IP network infrastructure.
 - 5G network synchronization solutions.
 - IT infrastructure solutions such as servers, operating systems, cloud platforms, security, etc.

ELCOM will continue to make significant investments in the research and development of these product lines and expand into many new products. With high-quality products meeting international standards and a huge, clear, and widespread market demand both domestically and internationally, ELCOM is well-positioned to enter the new era with confidence, determination, and high proactivity

4. Activities and Evaluation Report of the Independent Members of the Board of Directors

4.1 Activities of the Independent Members of the Board of Directors

In 2024, the Company had two independent members on the Board of Directors: Mr. Nguyen Manh Hung and Mr. Do Minh Tien, in compliance with legal regulations on the number of independent board members. These independent board members possess leadership, knowledge, and experience in governance, operations, and business activities in fields such as transportation, construction, and real estate, all of which are related to the Company's business activities. The independent members of the Board participated fully in all Board meetings, offering high-quality, multifaceted opinions, and proposing effective solutions for the issues discussed, contributing to the sound decision-making of the Board.

4.2 Evaluation Report of the Independent Board Members on the Board's Activities

- The Board has performed its role and duties correctly according to legal regulations, the Company's Charter, and the resolutions of the General Meeting of Shareholders.
- Board members have worked with a high sense of responsibility, dedication, and caution in making decisions and setting strategic directions for the Company's operations within their authority and duties. At the same time, the Board has continuously improved governance standards, transparency, and compliance with legal regulations for public companies/listed companies in the stock market in 2024.
- The Board meetings were convened timely and followed the procedures outlined in the Charter, internal governance regulations, and other relevant rules. The decisions made during Board meetings were based on discussions and votes of the Board members in accordance with the regulations. The meeting minutes were thoroughly recorded and signed by the attending members. The decisions made by the Board resolved important issues arising in the Company's operations. The Board also effectively supervised the activities of the Executive Board.

5. Board of Directors' Supervision of the Executive Board

The Board has issued decisions guiding the Company's business situation and supervised the activities of the Executive Board in 2024 as follows:

- Directed the Executive Board to develop the business plan for 2024 to present to the General Meeting of Shareholders for approval; urged and monitored the implementation of the 2024 business plan, particularly prioritizing resources to accelerate the execution of major projects, which are large-scale and core to the Company's products and technologies, thereby asserting the Company's strong position in implementing similar or larger-scale projects.
